

# Why Contribute

When brave men and women return from war and all the speeches fade.

When flag draped caskets have been lowered and the final words prayed.

There is a need for a special place to honor the memory and service these fellow citizens made.

A measure of a community is its commitment to provide a place of Honor to its citizens. The Redondo Beach Veterans Memorial Task Force was formed to erect this memorial.

- Brave men and women – our daughters, sons, fathers, mothers, brothers, sisters travel to distant lands to fight, be wounded, and die for our Country and our American Way of Life in a manner most of us will never understand.
- Our Veterans deserve a Memorial where they can go, alone or with loved ones, to Honor and keep fresh the reason for their sacrifice. A place dedicated and consecrated to them where they can remember and commune with those who fought alongside them for American Freedom.
- Our Civilians need a Memorial to reach across that invisible line into the world of the Veteran. A world hard to know, but reachable in spirit by being in a place dedicated to such men and women.
- Join your fellow citizens in our effort to build this Memorial by giving all you can, even as the men and women of our military have given.
- Your donation is tax deductible to the extent permitted by law.

To all who serve.....  
and to those who support  
their efforts: Our profound  
thanks and gratitude.

## About Us

The Redondo Beach Veterans Memorial Task Force is a community based volunteer organization comprised of local veterans and citizens. Visit our web site at: [www.RBVeteransMemorial.com](http://www.RBVeteransMemorial.com).

## History

Veterans Park at 300 The Esplanade in Redondo Beach was dedicated by the city council in 1930. The park is located on 6.3 acres of land, on the southwest ocean-facing side of Torrance Boulevard and Catalina Avenue just south of the Redondo Beach pier.

Following the approval of a conceptual design by the City Council to develop a park memorial honoring the service of our country's veterans, the Redondo Beach Veterans Memorial Task Force was organized.

## Future Plans

To continue to enhance and preserve in perpetuity this memorial honoring all past, present, and future veterans of the United States of America.
